

DJ PAURUSH

A music enthusiast by heart, Paurush Jhamb (Mr. J) entered in the world of music as a professional in 2014 and since then there has been no looking back. He initially discovered his inclination towards being a DJ when he found himself completely submerged in the groovy tunes of Deep, Tech, Progressive Electro House to Hip Hop, Trap, Bollywood, Punjabi and much more. He, then knew, that this is the call of his soul.

In 2015, he completed his DJ'ing from Soundtrack, Delhi and started playing in renowned clubs of Delhi. Being young and proficient in his field, Paurush has a commendable grasp over his crowd, always. He uses his meticulous intelligence of electronic dance music which makes everyone jump to the dance floor and groove to the rhythm of the music.

Over the years, his experience and variegated knowledge have elevated his skills, further accompanied by applying it to his DJ sets and producing mind-freaking music. Paurush with his dynamic and enticing personality then, all the more, adds more charisma to the atmosphere and turns it more lively. He has this magic to shape his music conforming to the ambience and leaving the crowd swirling, twirling and dancing their heart out.
